

VAA-Weekly-Progress

4/16-4/22

Context

- We began a draft of the final report and got feedback on structural changes and other suggestions

Goals

Final Report

Intro - Shaan

Related Work - Shaan + Zian

Overall Background - Medha

Specific Species Overview + Background(if necessary)-
Josh

Centroid Variation - Parth

Dino - Josh

Similar Species Experimental Setup - Parth

Results - Zian

Biological Definition explanation - Claire

Conclusion- Medha

Future Work - Parth

Embed Visible Definition - Medha

Embed Biological Definition - Claire

References - everyone

Biological

- Shaan - working on trying to train with a 21 keypoint definition
- Claire - working on fitting biological to a 17 keypoint definition (so worst case, we have something to show on the report)

Personal Progress

Medha

- Embedded visible definition into report
- Worked on background and conclusion
- Added references for all papers and figures
